In February 2011, the Los Angeles Distributing Company started with a simple mission to supply healthier snacks and beverages to retailers throughout Southern California. This year will be our ELEVEN YEAR anniversary; time flies when you are having fun.

Our reputation continues to revolve around quality relationships, in-demand brands, and stellar customer service. As we continue to grow, we will always uphold those principles to ensure we are different from the competition.

Over the past decade, we have expanded our footprint across seven counties and continue to add new product categories. In 2020, we secured licenses to distribute alcohol and look forward to rapidly expanding that segment of the business.

We remain highly selective when adding new brands to our portfolio. Our buying strategy helps us separate (short term) fads from (long term) trends, while only dealing with brands that respect our business and care about our customers.

In order to thrive in key markets like SoCal, retailers need to provide consumers with an experience and innovative offerings. Our brand portfolio can help satisfy those requirements.

Thanks to our amazing team—past and present—for helping us build this amazing business which has become a family. We are forever grateful for our customers and vendor partners for the years of support.

Stay Healthy,  
Richard, Arthur & Edgar

# JUST

# TRY SOMETHING GOOD

Sustainable,  
mountain-sourced,  
spring water. It's  
perfect, genius, and  
pristine on it's own.  
Why mess with it?

**CONVENIENTLY  
LOCATED NEAR  
ABSOLUTELY  
NOTHING AT ALL.**

The Mountain Valley Spring Water has been bottled at the same sacred spring source, in the Ouachita Mountains, since 1871. Nestled in a remote valley, our spring is surrounded by 2,000 acres of protected forest, and is the perfect result of a 3,500-year journey slowly filtering into granite based aquifers. Every drop is worth the wait.
